Admission notice for the ensuing session 2019-20-21 is likely to be issued by the Directorate very soon. It is enjoined upon all the Heads of Institutes to ensure that all the sanctioned seats of respective trades are filled up.

It is therefore of paramount importance to give widest publicity. The HOIs shall make publicity of the admission through local media, pamphlets and by arranging awareness programs in local High/Higher Secondary Schools. The government instructions on the issue of publication of advertisement should be followed in letter and spirit. The vacant seats in any trade after advertisement process shall be viewed seriously and shall be reflected in the APRs of the concerned officer.
